

COMPANY PROFILE

Your Global Partner for Manufacturing, Sourcing & Export

India-based trade & manufacturing partner for international buyers across pharmaceuticals, nutraceuticals, herbal, cosmetics, wellness, food and agricultural products.

WHO WE ARE

A global trade & manufacturing partner from India.

CUREVIX GLOBAL is an India-based company built to connect international buyers with India's deep manufacturing and sourcing network. We do not simply sell products — we build supply solutions. From a single requirement to a complete private-label range, we manage sourcing, manufacturing coordination, quality, packaging, documentation and international shipment as one accountable partner for distributors, importers, brand owners and trading companies worldwide.
